## PROFILE

---

A highly motivated Computer Science student with a strong foundation in data structures, algorithms, and programming. Passionate about utilizing emerging technologies to develop innovative solutions for real-world challenges. Eager to contribute to impactful projects, continuously learn, and excel in dynamic, collaborative environments.

## EDUCATION

---

**B.Tech in Computer Science**, Mohan Babu University, Tirupati, AP Aug 2022 – Expected 2026  
CGPA: 7.86 / 10

**Intermediate (MPC)**, Narayana Junior College, Nellore, AP 2020 – 2022  
Percentage: 84.6%

## TECHNICAL SKILLS

---

<b>Programming Languages</b>	C, Java, Python, PHP, HTML, CSS, JavaScript
<b>Web Technologies</b>	HTML, CSS, JavaScript, Bootstrap
<b>Databases</b>	MySQL, SQL, MongoDB
<b>Developer Tools</b>	Git, GitHub, VS Code, IntelliJ IDEA, Anaconda, Eclipse
<b>Academic Coursework</b>	Data Structures and Algorithms, Object Oriented Programming, Operating Systems, Computer Networks, Relational Database Management System

## PROJECTS

---

### AgriConnect

- Platform connecting farmers with experts and buyers, offering AI-based crop recommendations. - Includes crop marketplace, weather/location APIs, and real-time chat support. *Tech: HTML, CSS, JavaScript, Bootstrap, PHP, MySQL, APIs*  
GitHub: [Link](#)

### Freelancing Platform

- Web marketplace tailored for the Indian market to connect freelancers and clients. - Supports project posting, bidding, tracking, and secure authentication. *Tech: HTML, CSS, JavaScript, Bootstrap, PHP*  
GitHub: [Link](#)

### Attendance Management System

- Faculty portal for managing student attendance with real-time AJAX updates. - Features secure login, online record management, and report generation. *Tech: HTML, CSS, JavaScript, PHP, MySQL, AJAX*  
GitHub: [Link](#)

## ACHIEVEMENTS

---

- Solved over 150+ problems on [LeetCode](#), strengthening problem-solving and algorithmic skills.  
- Finalist of SAP Hackfest 2025 with the project "AgriConnect" — a platform connecting farmers with agricultural experts and buyers.
